Email:

Dear Students,

We are excited to invite you to Google AI Nexus 2026, a one-day immersive Generative AI Workshop designed to equip students with practical skills and industry-relevant insights into modern AI systems.

This workshop is organized as part of an academic collaboration initiative inspired by Google's AI education programs, with a focus on hands-on learning, real-world use cases, and responsible AI development.

📌 Event Details

Event Name: Google AI Nexus 2026 – Generative AI Workshop
Date: 15 February 2026
Time: 10:00 AM – 4:30 PM
Mode: Hybrid (On-Campus + Google Meet)
Target Audience: Undergraduate & Postgraduate Students (CS, AI, Data Science, Engineering)

🎯 Workshop Highlights

- Foundations of Generative AI & Large Language Models
- Prompt Engineering for Professional Applications
- Building AI-Powered Applications using Google AI Tools
- Ethics, Safety & Responsible AI
- Live Demos and Hands-On Activities

🎙️ Speakers & Mentors

- Dr. Andrew Ng – Founder, DeepLearning.AI (Guest Keynote – Recorded Session)

- Sundar Pichai – CEO, Google (Opening Address – Excerpt & Vision Talk)
- Anita Sengupta – AI Research Lead, Google
- Rohan Verma – AI Engineer & Google Developer Expert

📜 Certification

All participants will receive a Certificate of Participation inspired by Google AI Learning Pathways.

📝 Registration

Seats are limited. Interested students are requested to register by 10 February 2026.

🔗 Registration Link: *To be shared*

We look forward to your enthusiastic participation in this exciting journey into the future of AI.

Warm regards,
AI Nexus Organizing Committee
Department of Computer Science
(In collaboration with Google AI Learning Initiatives)
